2014

## INVITATION TO TOKYO, JAPAN

Rikkyo University

Varied Tit *Parus varius*,  
the symbol of the congress

<http://ioc26.jp/>

We would like to invite all ornithologist in the world to 2014 International Ornithological Congress (IOC), Japan. It will only be the second Congress held in Asia. Recently, in Asian countries, interests in ornithology are increasing for conservation and academic research. The 26th International Ornithological Congress in Japan in 2014 will bring wonderful opportunities for deligates to access beautiful nature of Japan and surrounding areas, and will aid rapid progress in ornithology not only in Japan but throughout Asia.
